## Non-Attendance Service -Costing for a Cremation

The following is what is included in a **Non-Attendance Service**

**Price Inc GST**  
**\$1595\***

Non- Attended Cremations are cremations preformed without family or friends being present. Despite the fact that the cremation is preformed without you being present, we recommend that when the cremated remains are returned that you hold a memorial service or take time to reflect remember and pay tribute.

- Hospital transfer of the deceased and mortuary care, during business hours.
- Basic Pine Board Coffin
- Cremation fees at selected crematoriums, with a standard utility container for the ashes (Plastic/Cardboard).
- The compliance with all legal requirements, including gathering and lodgement of documentation
- Lodgement of required documents Births, Deaths & Marriages

**Additional charges will apply for the following, if required.**

- Nursing Home/Private House/Private Hospital transfer - anytime
- Collection of ashes from crematorium
- Delivery/ Postage of ashes
- Official Death Certificate from BDM

Ashes are ready for collection after 2-3 days from the crematorium. We can arrange collection and delivery of the ashes to you.

All arrangements are made over the phone and via email.

All of our services are offered in the spirit of minimised fuss. Nevertheless, family and friends are encouraged to participate in all aspects of arrangements, whether that be a traditional commemorative service or non-traditional gathering.
